

Public Hearing on 2006 – 2007 Action Plan

The City of Long Beach annually receives money from the United States Department of Housing and Urban Development, (HUD) to help improve our neighborhoods. The entitlement funds come from four funding sources: Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG), Home Investment Partnership Act (HOME) and American Dream Downpayment Initiative (ADDI).

The Action Plan serves as a planning document for the City of Long Beach. The Action Plan includes and builds on the participation of the public and Community Development Advisory Commission. It is the City of Long Beach's strategy to be followed in implementing these funds from HUD. The plan details how much and where the City will distribute HUD funds for: planting trees, cleaning up alleys, improving homes, removing graffiti, beautifying neighborhoods, providing youth recreation, assisting nonprofit organizations, providing code enforcement, providing business assistance, providing shelter and assistance to the homeless, creating affordable housing, home purchase assistance and many other programs.

The City of Long Beach Community Development Advisory Commission will be conducting a public hearing to solicit public comments on the proposed 2006 – 2007 Action Plan. Draft copies of the Action Plan are located at the Main Library, **101 Pacific Avenue**, The Neighborhood Resource Center, **425 Atlantic Avenue**, or can be downloaded from the Neighborhood Services Webpage: www.longbeach.gov/cd/neighborhood_services/cdbg.asp
